

A song: Down under.

'on a hippie trail, head full of Zombie'.

You better run, you

Where women glow
and men plunder

A man come from a land down
under.

Hippie Zombie

kill
other
Zombies

His
brain
was
eaten
by
other
zombie,
so he

forgot
he is
zombie too,
that's why
he kills zombie,
and he think
zombie's brain
tastes delicious.
